

# Helping St Paul's be financially sustainable.

To sustain all that we do, we hope the generosity of our congregation and friends of St Paul's, can reach £100,000 each year.

What is God's kingdom like...?

Generous

Celebratory

Abundant

We are called to join in - to participate - in What Jesus is doing...

We are called to give generously.

Generosity enables abundance and celebration.

Generosity and celebration create community.

1. Can you prayerfully assess your financial giving?

2. Could you give what you can, to support the work of the Church?

We are called to trust.

We are called to give.

We are called to community.

We are called to celebration & generosity.

We are called to joy.

We are called to bring healing to the world.

## Our expenditure

falls into three main categories.

- Running costs to keep our Church and halls operating
- Our contribution to the Diocese through Parish Share. (*The basic annual allocation of cost by the Diocese for an operational parish like St Paul's is around £83,000*).
- Employing our Children and Young Families Leader (CYFL) – that's Leslie

**Over a year total expenditure is around £ 145,000**

## Our Income

- from the hire of our halls is around £33,000 per year.
- we receive specific Gifts from members of our congregation and the Diocese towards our CYFL role of around £ 14,000 each year.

**To sustain all that we do, we hope the generosity of our congregation and friends of St Paul's, can reach £100,000 each year.**

We also hope that our **Café, Social Eating and Community projects** can become **self sustaining** beyond the period which our grant monies have funded.
